TRANSFERABILITY OF CREDITS

Westwood College does not guarantee the transferability of its credits to any other institution unless there is a written articulation agreement with that institution. See the campus academic dean for information on articulation agreements.

Transferability of credit is always determined by the receiving institution. It is the student's responsibility to confirm whether an institution will accept credits from Westwood.

Notice Concerning Transferability of Credits and Credentials Earned at Westwood

The transferability of credits a student earns at Westwood College is at the complete discretion of an institution to which he/she may seek to transfer. Acceptance of the degree, diploma, or certificate a student earns is also at the complete discretion of the institution to which a student may seek to transfer. If the credits or degree, diploma, or certificate that a student earns at this institution are not accepted at the institution to which a student seeks to transfer, he/she may be required to repeat some or all of his/her coursework at that institution. For this reason, students should make certain that their attendance at this institution will meet their educational goals. This may include contacting an institution to which a student may seek to transfer after attending Westwood College to determine if the credits or degree, diploma or certificate will transfer.

In most cases, Westwood credits will not be transferable to other schools. Westwood makes no promise that Westwood credits will transfer to another institution, or that another institution will accept a Westwood degree, diploma or certificate for the purpose of pursuing an advanced degree, unless Westwood has a written articulation agreement with that institution.

ADD/CHANGE AND DROP PERIOD

Beginning with the first class each term, there is an Add/Change period during which students will be allowed to add or drop classes from their schedule. In addition, there is a designated Drop period on the day designated in the academic calendar found in this catalog.

Once the Drop period ends, all schedules are final and the registrar will determine students' enrollment status based on these schedules and submit the status to the Business Office for tuition charges. Students will be charged according to their enrollment status as of the end of the Drop period.

New students have the right to cancel any time through the 30th day of their **first term** of enrollment and will be entitled to a full refund of all tuition and fees paid and a reversal of all charges for tuition and fees other than any materials that are not returned. All cancellation requests must be in writing.

In addition, new students are subject to a 30-calendar-day evaluation period at the beginning of their first term during which Westwood College will evaluate the student's readiness to engage in his/her academic program. In order to meet 30-day requirements, a student must show acceptable levels of attendance, academic progress and enrollment process completion, including the financial aid process. In the event that the college determines that the student is not prepared to start his/her program of study, the student will be dismissed from all classes and will not be subject to any charges for tuition and fees other than any materials that are not returned, as applicable.

APEX Financing

Apex is an institutional financing program offered by Westwood College. APEX financing is available to new and continuing students who have exhausted all other funding sources, including federal student loans and grants. Application materials, which will include terms, conditions and required disclosures, will be supplied by the campus Student Finance Office once eligibility has been determined.

Any APEX financing will be credited directly into the student's account and applied toward the direct cost of the student's attendance. A corresponding balance will be created in the student's APEX account. Direct cost of student attendance includes tuition, tool kits, and books. If eligible, the APEX financing may be applied for on an annual basis following the application of all financial aid.

INSTITUTIONAL REFUND POLICY

Refunds must be calculated from the last date of recorded attendance. The following calculations reflect this policy:

1. A full refund of all monies paid, excluding the registration fee, if the applicant is not accepted by the college.

2. A full refund of tuition and fees paid if the applicant withdraws any time up to 30 calendar days after the first day of class of the applicant's **first term** of enrollment, if requested in writing.
3. A full refund of tuition and fees paid in the event that the college discontinues a course or program of education during a period of time within which a student could have reasonably completed the same except that this provision shall not apply in the event that the college ceases operation.

Information in this addendum augments or amends the Westwood College 2012 Academic Catalog (California campuses only) and remains in effect until a subsequent addendum is published.

1. You are not a California resident.
2. Your total charges are paid by a third party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party.

4. There was a decline in the quality of the course of instruction within 30 days before the school closed or, if the decline began earlier than 30 days prior to closure, the period of decline determined by the Bureau.
